

Smoking Policy

Policy Motivation

Landscapers INC acknowledges that medical evidence has shown that smoking is detrimental to the health of both active and passive smokers. Smoking cigarettes, cigars and pipes is also an irritation to many non-smokers and can aggravate various allergic conditions.

Policy Objective

The objective of the above policy is to establish a pleasant and healthy working environment, considering the needs and rights of both smokers and non-smokers.

Policy Statement

Landscapers INC acknowledges that its employees and clients have the right to work and do business in a pleasant environment with the cleanest air possible. **Landscapers INC** expects all its employees, clients, and visitors to observe its smoking regulations (**SA Tobacco Products Control Act 83 of 1993**).

AREAS WHERE SMOKING IS PROHIBITED

- All **Landscapers INC** buildings (areas classified as work areas) except for areas identified specifically as smoking areas in such buildings.
- Any area where there is a fire hazard.
- Common areas, including lifts, entrance halls, corridors, waiting rooms, copy rooms, workshops, rest rooms, toilets.
- Computer areas, wash bay and pits.
- Training venues and conference rooms (smoke break to be allowed)
- Areas where food is prepared.
- Any area deemed by the site **Landscapers INC** is currently working(on site rules set by client)

Application of this Policy

The success of the application of the policy depends on the thoughtfulness, consideration and co-operation of smokers and non-smokers. Should conflict arise between smokers and non-smokers, employees must be encouraged to compromise amongst themselves. If this fails, the matter must be dealt with in terms of the grievance procedure.

Responsibility

Since it is the responsibility of line management to ensure that the Company's policy is complied with, they are responsible for ensuring that: -

- All complaints raised are investigated immediately with a view to taking corrective action.
- Persons raising complaints are not victimised in any way, and
- Employees do not violate smoking regulations blatantly.
- Disciplinary steps in terms of the Company's disciplinary code and procedure must be initiated against employees who refuse to comply with smoking regulations.

Communication

Copies of this policy document must be distributed to all employees in the Company.

Appropriate notices must be displayed in all areas where smoking is prohibited. Notices in client service areas must be client friendly.

Articles on the dangers related to smoking must be communicated on an on-going basis.
