

Anti-Bribery and Corruption Policy

POLICY

1. Scope and Purpose

This policy applies to all Landscapers INC companies, divisions and business units.

2. Roles and Responsibilities

2.1 Executive management have the responsibility to ensure compliance with this policy and the discretion to define the processes, procedures and other mechanisms by which the policy is implemented within each division.

2.2 It is the responsibility of business unit operational management to ensure that all procedures are implemented in accordance with this policy and divisional policies, where applicable.

2.3 Landscapers INC has a ZERO tolerance approach to bribery and corruption.

3. Raising Concerns and Seeking Guidance

3.1 If any person becomes aware of a circumstance or action that violates or appears to violate this policy on bribery and corruption, they are encouraged to contact their supervisor or manager or in the event that this does not resolve the issue, to contact the Landscapers INC General Manager.

3.2 Landscapers INC is committed to ensuring that no employee suffers any occupational detriment as a result of reporting a genuine concern in good faith.

PROCEDURE

1. INTRODUCTION

1.1 The purpose of this policy overview is twofold:

1.1.1 First, to set out the minimum expected standards for preventing bribery and corruption within Landscapers INC.

1.1.2 Second, to provide a summary of the various Landscapers INC policies that are relevant, in whole or in part, to address anti-bribery and corruption requirements in Landscapers INC and to explain how the various components fit together.

1.2 This policy reflects not only our cultural and ethical commitment to preventing bribery but also compliance with specific legal requirements of various jurisdictions in which we operate.

2. REGULATORY AND VOLUNTARY STANDARDS

2.1 Background

2.1.1 Bribery is a criminal offence in many countries and corrupt acts expose Landscapers INC and its employees to the risk of prosecution, substantial fines and imprisonment, as well as endangering the reputation of the business.

2.2 Regulatory standards

2.2.1 Landscapers INC policies support the objectives of the South African legislation of 2004 on the Prevention and Combating of Corrupt Activities Act and the Organisation for Economic Cooperation and Development (OECD) Anti-Bribery Convention, to which South Africa is a signatory.

2.2.2 The policies recognise all applicable laws in South Africa in which Landscapers INC operates.

3 DEFINITIONS

- 3.1 Bribery is where a person offers, promises, gives or receives, demands or accepts a financial or other advantage to /from another person with the intention to bring about the improper performance by that other person of a relevant function or activity or to reward such improper performance. It also includes situations where the offer or acceptance of the advantage is in itself improper.
- 3.2 Corruption is defined broadly as 'the abuse of power for personal gain' and bribery and fraud are considered to be aspects of corrupt practices.

4. THE Landscapers INC POLICY ON ANTI-BRIBERY AND CORRUPTION

- 4.1 Landscapers INC is committed to maintaining the highest standards of honesty, integrity and ethical conduct.
- 4.2 The Landscapers INC policy is a clear and unambiguous zero tolerance for bribery and corruption, in both private and public sector transactions, including facilitation payments.
- 4.3 The Landscapers INC Code of Conduct clearly states that: "In dealing with public officials, other corporations and private citizens, we will not seek to influence others, either directly or indirectly, by paying or receiving bribes or kickbacks, including but not limited to payments to local officials by Landscapers INC employees or agents for the completion of routine governmental administrative actions (so-called facilitation payments), or by any other measure that is unethical or that will tarnish our reputation for honesty and integrity. Even the appearance of such conduct must be avoided."
- 4.4 Unethical conduct may or may not constitute illegal or corrupt behaviour. The Landscapers INC Code of Conduct defines ethical behaviour and required standards of conduct. The consequences of violations of the Code by an employee include, but are not limited to, disciplinary action.
- 4.5 All cases of alleged bribery and corruption will be investigated and followed up by the application of all available remedies.
- 4.6 Employees who commit an act of bribery or corruption will be subject to disciplinary action, up to and including termination with cause.

5. PROCEDURES FOR PREVENTING BRIBERY AND CORRUPTION

The procedures adopted by Landscapers INC to prevent bribery and corruption include applying due diligence procedures and taking a risk-based approach in respect to third parties and associated persons to ensure compliance with all applicable laws and regulations related to anti-bribery and corruption. The procedures applied are proportionate to the related risks and these include but are not limited to, the following:

- 5.1 A high-level risk assessment is conducted periodically to assess key compliance risks including the risks of bribery and corruption and any other risks in applicable legislation.
- 5.2 The Landscapers INC Code of Conduct is communicated to all employees.
- 5.3 Training and communication of policies is comprehensive and ongoing.
- 5.4 There are divisional initiatives for the implementation of appropriate procedures for preventing and detecting bribery and corruption, including procedures to prevent facilitation procedures.

- 5.5 There are approved guidelines in each division on contractual arrangements with third parties in high risk areas and other associated persons, including requirements for them to comply with all applicable laws and regulations related to anti-bribery and corruption.
- 5.6 There are processes and procedures in place to investigate, respond and report on violations, incidents and other lapses in control.
